Find Your Coding Career Goals

Upon completion, the assignment file should be saved using the following naming convention: student firstname - student lastname - assignment name (filetype).
For example: Nelson - Michael - career goals (PDF). This should be submitted to The Codelab Management using the email Brighterdayscodelab@gmail.com.

---

1) What are your career goals?

2) What technology do you find most interesting?
   - ☐ Web Development
   - ☐ Mobile Development
   - ☐ UI/Ux Design
   - ☐ Other

3) What about this technology do you find interesting?

4) List five reasons you want to focus on this technology:
